

SIMPLE CLEANING TIPS CHECKLIST

KITCHEN

- Tidy up those pantry shelves (you don't need five jars of oregano)
- Tame the stovetop, oven, and microwave before they rebel
- Shine up the sink and faucet—they deserve to sparkle
- Sweep, vacuum, and mop the floor—your crumbs have had enough fun

BATHROOM

- Swap out towels like you're running a fancy hotel
- De-grime the shower and bathtub—it's time for a glow-up
- Wipe down mirrors, countertops, and any other surface showing smudges of your fabulousness
- Mop that floor—you might even find your missing earring

BEDROOMS

- Declutter nightstands and drawers (that half-eaten candy bar has got to go)
- Dust surfaces like you're revealing hidden treasures
- Vacuum carpets, rugs, and under the bed—it's not a hiding spot for dust bunnies.
- Fluff pillows and fold blankets like a pro interior designer

GENERAL

- Clear the entryway chaos—yes, that pile of shoes counts!
- Wash or swap bedding and towels for that fresh-from-the-laundry feeling
- Vacuum upholstery and curtains—it's like a spa treatment for your furniture
- Give those windows a streak-free finish—hello, sunlight!
